Money Collectors.

Owed money? Stock market losses?

Send a short letter or e-mail us. We might be interested in associating with a local attorney on your case. We might be able to refer you to an Attorney licensed in your State. There are deadlines that apply to filing cases. If you decide to begin looking for counsel, we'd consider it a privilege to be considered. We share a hobby. Maybe we can share some money.

EDITOR'S NOTES: Big changes for me since the last Rag Picker. I decided that 43 years in Law Enforcement was enough. It was fun, but it was interfering with my paper money collecting. So, I'm now a RETIRED police officer with enough time on my hands to properly attend to my duties and obligations in the numismatic world. In addition to Rag Picker editor I also am Membership Chair for the Fractional Currency Collectors Board, Recording Secretary for Numismatists of Wisconsin, and am running unopposed for President of the Central States Numismatic Society.

It looks like we'll continue to live in and enjoy Wausau, Wisconsin; but now there will be lots of time for traveling, visiting grandchildren and attending coin and paper money shows...I think.

The first real order of business as a retiree was to get my own computer system, as I'd been relying on my work system in the past and that explains why this is arriving a month or so late in your mailbox.

My sincere apologies and a special thanks to Bob Thiel, our Secretary/Treasurer who sent me copies of material I'd lost in the confusing transition from work place to home.

Actually, I'm pretty excited to be working out of my home and hope to do some numismatic appraisals, buying/selling, etc, now that I have my home office set up. Thanks for bearing with me as I worked through it.

On the Auction front, the Heritage catalog for the FUN Show made interesting reading. It looks like Colonial issues are showing strong price increases along with the steady rise in Nationals and Large Size Type. Fractional Currency, one of my main interests, also seems to be moving higher. I think we can look forward to another good year in the hobby and the Mint's announcement on the Presidential \$ coins should add to the momentum the quarter program has given us.

OUR COVER: The cover this issue displays a Cuban bank note with a feature I've never seen before. This 5 Peso note of 1897 has a stub like attachment with identifying information for the issue and signatures of the folks who signed the notes. This note has the perforations seen on these late 19th century Cuban issues...giving rise to the thought that they were printed in coils? Perhaps this is the beginning of the coil....or additional printed information on the outer framework of a larger sheet....anyone seen this before. I will bring in to Memphis in June and perhaps get some info there.

PRESIDENT'S COLUMN: ed. note: Wally's well earned presidential retirement takes place at the end of 2005. So, this is his last column as our president...a job he's handled for 20 years or so.

My last "Hurrah! This is my final President's message after a 20 year hiatus. I have relinquished the gavel and am now the new Vice President, or President emeritus, as the guys now call me. One way or the other I will be available to offer my assistance. I have found a very reliable and enthusiastic fellow for the presidency, Karl Mark Pall, who graciously volunteered to take over for me. Karl lives in the Mt Clemons, MI area. He is retired, but deeply involved in historical research and finds time to teach some extra curricular courses. While on the subject of Club officers, 2 of our members expressed the desire to become Board members: Bill Herzog and Dan Freeland, who will replace Bob Hatfield and Doug Murray, while I replace Chuck Fenwick as Veep. This is the first change of officers in quite a while. All 3 of those being replaced have served the club well and are 30+ year members.

We had some wonderful exhibits this year from PMCM members. First time exhibitors were Karl Pall (History of Michigan Obsoletes) and Greg Dilbert (Oakland County National Banks.) Also exhibiting were Bill Herzog (\$5 National Bank-Types 1 & 2) and Bill Brandimore with a complete set of 25 cent Fractionals. There were other nice paper exhibits at the Dearborn Show, but these 4 were knocking at the door for first place. It came down to a two-way tie for first place between Bill Brandimore and Karl Pall; with Bill graciously letting Karl take home the first place trophy for the coming year, as he had had the pleasure of displaying it the previous year. This is a nice plaque featuring a 1902 National Bank Note from the First National Bank of Detroit. If you win it three times you get to keep it! So...put an exhibit together for the Fall 06 Show!

Our club is very much alive and doing well; but, we can use some new articles for the Rag Picker. So, think about submitting an article.... If yours is one of the three best articles you may win a prize.... \$100, \$50 and \$25 for 1st, 2nd and 3rd place, respectively. Thanks for the ride...I will still be in the wings and good luck in all your collecting goals.

Dr. Wallace Lee, Past President, VP (editor's note...and Collector extraordinaire!!!! Good luck Wally, from all of us)

CLUB NEWS: The Currency Club of Chester County keeps rolling along with monthly newsletters of great appeal and interest. I believe their newsletter is well worth the price of admittance. It is interspersed with interesting facts through out, I.e. John Adams wealth at his death was \$43,089, including 240 acres of land in Quincy, MA valued at \$1,865. John Adams was sworn in vice President on April 21, 1789, while George Washington wasn't sworn in until April 30....if you don't belong to a local club....think about it.

THANKSGIVING MEETING IN DEARBORN:

We had good attendance at our Meeting at the Michigan State Show, At the meeting Dr. Lee presided over the appointment of our new president, Dr. Karl Pall of New Baltimore, Michigan. Dr. Pall is retired from AFSME and spends considerable time researching Michigan Obsoletes. He also teaches courses on the History of Money through Macomb County Community college at the Grosse Pointe War Memorial in Grosse Point Farms, MI and other locations as available....perhaps you can convince him to come to your area and put on a class....Email him at kmpall@comcast.net Karl advised our group that he would attempt to lead, educate and share his passion for paper money with all of us. He also asked for us to share our passions with him. Look for his first President's column in the Jan-Feb issue.

We have designated Dr. Lee as our Vice President and President Emeritus. He'll still be around but will get a big break from the planning necessary to keep PMCM administratively sound.

We received a letter from the ANA thanking us for our gifts totaling \$700 for the ANA Library. Speaking of the ANA, no one qualified for our ANA Summer Seminar session...perhaps we made it too complicated. What did do at the meeting, however, was appoint a three person panel to seek to award ANA Summer Seminar scholarships to members who have served the Club, a recognition, if you will of paper money passion and sharing! The committee is made of yours truly, Bill Brandimore, Dan Freeland and Bill Herzog.

As reported in the presidents column, Karl Pall and I shared the PMCM First place members plaque. Since I have had it in the past, Karl will proudly display it at his home and bring it to the Thanksgiving show next year. If you win it three times you get to keep it....so, put an exhibit together for 2006.

We also updated our Board of Directors with Dan Freeland and Bill Herzog coming on the 2006-2008 Board....this issue reflects the Officers and Board as constituted in 2005. The January-March issue will carry the new Board members and Officers....and I expect to get it to you in the normal framework of late March/early April.

With that we adjourned for fellowship and collector interaction.

Special Feature:

I am sharing some really interesting illustrations from the Currency Club of Chester County. They had a very interesting feature on some Scrip and baggage tags used by a Texas Military Unit, the Ninetieth Division during WWI.

The unit served in Europe during WWI and after the armistice they entertained themselves...and others with a Circus and Fair at Berncastel, Germany. The scrip they used for this purpose...the 50 Teeohs denomination is all Texas: Cowboys and Indians; while the 100 Teeohs is a take off on the Belgian note, know to many as the cootie note because of the insect watermark. Note the scrip on this page and the very artful baggage tag on the following page.

As promised I am reorganizing the FRN Exchange List, especially in light of the fact that notes are sent out without regard for their District letter...San Francisco L's may go to New York and New York B's may go to Dallas, etc. etc. Here are the traders, with the Letter they have served in the past and are probably most interested in. There are a number of new additions from interested new members, et al. List Chairman is Small Size GURU Bob Aspiazu, St. Augustine, FL.
